(calling Nat'l Guard
not in itself
violation of constitution)

What's
ASP?

"the president

is unable to
execute"

"they can't owe him no
deference."

Enz Hamilton →

"a brief

"inability in the
regular forces to
execute"

(disaffection)

"the plaintiffs don't

challenge (X) so they

deployment is lawful."

Section

"National Guard: they are not
free able."

I see dreams, like prophecies of cognitive science. are half of our life. I think someone who beliefs in the half-utility of the dream has it, and they who see the dream as signification, they have nothing.

, many think their dreams are nothing but wisps, but they

Yesterday I spent time in my room. I don't know if it's being single that feeds anxiety. Whenever my friends go away, I lose my mind. It's like every idea I have seems more exciting than anything I have when I'm literally talking, but I don't have the immediate back-and-forth to assure me that I'm sane. That would be the best reason to get a doctor to check on my wellbeing. If such a thing were normal. Therefore I, Solomon, do.

California: 10th Amendment (10:4 memo)
he went over . . .

• Why out-of-state guards?

COVID com is Trump's com;

AP "its my ^{understanding} ~~understanding~~
So it's mix of Nat'l owned?!"

EH: "That's my understanding, as well"

AP: "well let's put responsibility
from you . . . protection of
federal property is our
highest priority" AP:

AP: fed'l law enforcement
could request Nat'l
Guard accompaniment
any time

FPS /
marshals
have not
requested
troops.

EH: there's a vetting
process . . .

AP: and dept of
agriculture?

EH "I actually don't have an
answer to that."

EH: "an individual reportedly
tried to penetrate a federal
building"

no idea
whether
mobilization
could go
outside
look at

The poem is down here.

3PM

What is "temporary detain,
not arrest" April Perry?

{ EH: "we will do our best to close down"
"the president is entitled to
great deference"

to his ~~own~~ reports
"great deference"

AP: involves not ~~conditional~~ ^{will}
mentality after saying ^{times}
"I appreciate you ~~being~~ being
here at all since you do
not think this a reversible
decision"

↳ "struggling w/ the idea that (a
constitutionally protected set) is
evidence of criminality"

EH: asserts to the reversibility
of POTUS' decision then backtracks

'after citing'

'you don't have to know what
the words mean'

'i think i do'

'we're very comfortable
with the 1891 lax dictionary
definition'

▷ "let's talk about the
phrase, 'unable w/
to execute'"

Source exchange corroborates
plaintiffs' opening argument about
defendants lack of deference for
'balance of power' / EH says
judicial oversight on "~~mischief~~"
not in line w/ POTUS' "ability" to do
his job.
